

# National Institute for Theoretical Physics

## Stellenbosch Node

### Postdoctoral Fellow (Two-year contract)

*The Stellenbosch node of the South African National Institute for Theoretical Physics (NITheP) has two postdoctoral vacancies. The fellowship can be associated with any of the research groups and topics at this node.*

*The appointment will be made within the structure of Stellenbosch University on a two-year contract basis, with the possibility of renewal for one additional year.*

**Duties:** Maintaining a vigorous research programme in Theoretical Physics.

**Requirements:** A doctorate of high standing in a field relevant to the research activities at the NITheP Stellenbosch node. A developing research record and demonstrated research potential. PhD must have been obtained within the past five years.

**Commencement of duties:** August 2020 or as soon as possible thereafter.

**Closing date:** Review of applications will begin on 1 July 2020 and continue until the fellowship has been awarded.

**Value of fellowship:** The value of the fellowship will be commensurate with experience and research profile.

**Enquiries:** Prof Francesco Petruccione on [petruccione@ukzn.ac.za](mailto:petruccione@ukzn.ac.za).

**Applications:** Applications must include a cover letter, complete CV, publication list, description of present and future research interests, copies of relevant qualifications, as well as names and addresses/e-mails of at least 2 referees. All documents must be submitted as a single PDF file to Mrs René Kotzé at [renekotze@sun.ac.za](mailto:renekotze@sun.ac.za).

**Webpage:** <http://www.nithep.ac.za>

*\*NITheP reserves the right not to make an appointment and to continue searching after the closing date. Only short-listed candidates will be contacted. Candidates not contacted by 1 August 2020 can assume that their applications were unsuccessful.*
