DAAD In-Region MSc and Phd Scholarships

Stellenbosch University Mathematics Division
Call for applications

As part of the In-Region Scholarship Programme, the DAAD (German Academic Exchange Service) is offering scholarships for MSc and PhD degrees in Mathematics at Stellenbosch University, for studies commencing January 2022. These scholarships are for graduates and postgraduates from Sub-Saharan Africa, excluding South African students. Female applicants and candidates from less privileged regions or groups are especially encouraged to participate in the programme.

The scholarships are full cost, and include:

- The full study fees
- 450 / 500 EUR per month living allowance (MSc / PhD)
- 460 / 920 EUR annual study and research allowance (MSc / PhD)
- 400 / 800 EUR printing allowance (once at the end of studies)
- Health insurance
- Travel to home country at beginning and end of study at Stellenbosch
- A possible short-term research visit of 3-6 months in Germany

Applications are now open. For information on how to apply, as well as further information about eligibility criteria, please visit:

<https://math.sun.ac.za/teaching/postgraduate/daad-in-region-scholarships/>

The deadline for applications the **18th of May 2021**.

Kind regards
